

Class 1

Building Product Information Sheet

Brass Fittings

Building Product Information Requirements (BPIR)

Version: 1

Date Created: December 2023

Product Name	TDX Hose Tap Male 1/2
Product Identifier(s)	248580

SCOPE OF USE

Brass fittings are designed for use in various building and construction applications where durability and safety are required. Manufactured from dZR brass, suitable for water applications, both hot and cold.

CONDITIONS OF USE

Brass fittings should be installed according to relevant standards. They are intended for use in non-aggressive environments and must be used as specified to ensure performance and prevent issues such as leakage.

RELEVANT BUILDING CODE CLAUSES
