

Class 1

Building Product Information Sheet

Benchtops

Building Product Information Requirements (BPIR)

Version: 1

Date Created: December 2023

Product Name	Rebon Laminate Benchtop - Oak Grain 1240mm
Product Identifier(s)	519923

SCOPE OF USE

Our benchtops are designed for interior applications such as kitchens, bathrooms, and laundries where moisture levels may be elevated. Timber/Laminated Benchtops are not suitable for excessive moisture. They are suitable for non-exterior use and are not structurally graded. For compliance with building codes, the design and support structures must be prepared by qualified professionals.

CONDITIONS OF USE

The benchtops should be installed according to manufacturer guidelines and maintained in dry conditions. For use as a splashback, ensure it is applied to a moisture-resistant substrate and adhere to specified clearances from electric and gas cooktops as per relevant standards.

RELEVANT BUILDING CODE CLAUSES

"B2 Durability — B2.3.1 (c) F2 Hazardous building materials — F2.3.1 G3 Food preparation - G3.3.2"

CONTRIBUTIONS TO COMPLIANCE

"B2 Durability The product comes with a 5-year warranty, ensuring that building elements are accessible and replaceable and that any non-compliance with building code standards can be easily identified during normal use. F2 Hazardous Building Materials This product is constructed of materials that will not emit harmful concentrations of substances from exposed surfaces. G3 Food preparation Our Benchtops complies with New Zealand Building Code Clause G3 for food preparation and prevention of contamination. Conforms to the requirements specified in G3.3.2. Additionally, our benchtops are not subject to any warnings or bans under Section 26 of the New Zealand Building Act."
