

Class 1

## Building Product Information Sheet

### Sanitary Wastes

Building Product Information Requirements (BPIR)

Version: 1

Date Created: December 2023

<b>Product Name</b>	TDX POP UP BASIN STRAINER BLACK
<b>Product Identifier(s)</b>	569229

### SCOPE OF USE

Our Sanitary Wastes products are robust plumbing components designed for straightforward access and replacement, managing water flow at key points. Constructed from non-harmful materials, they ensure safe operation without any harmful emissions. They excel in wastewater management, preventing blockages and leaks, efficiently directing waste, and facilitating easy maintenance and ventilation. Built to endure typical loads and ground movements, they are integral to a dependable and high-performing plumbing system

### CONDITIONS OF USE

Our sanitary waste products are designed to fit trays, basins, bathtubs, and sinks, providing optimal durability for indoor use. They are suitable for a variety of applications. Installation should be carried out by a certified plumber.

## RELEVANT BUILDING CODE CLAUSES

"B2 Durability - B2.3.1 (b) F2 Hazardous building materials - F2.3.1 G13 Foul water - G13.3.1, G13.3.2"

## CONTRIBUTIONS TO COMPLIANCE

"B2 Durability This product is a component within the plumbing services of a building, typically controlling the flow water at a terminus, is easy to access and replace, and failure would be easily detected during normal use. F2 Hazardous Building Materials This product is constructed of materials that will not emit harmful concentrations of substances from exposed surfaces. G13 Foul Water The plumbing system must effectively direct wastewater while minimizing blockages, leaks, and the entry of unpleasant odors or gases, and provide easy access for maintenance. Similarly, the system should efficiently channel wastewater to an appropriate discharge point, be designed to prevent blockages and root intrusion, allow for maintenance access, be ventilated to avoid gas buildup, and withstand normal loads and ground movements."
